

A STATEMENT REGARDING THE ENDING OF THE MASONIC SUSPENSION

6TH JULY 2020

You should by now have seen the joint announcement this morning from UGLE/SGC and Mark Master Masons Hall advising that the suspension of Masonic meetings will lapse on Friday, July 17th.

Whilst this is welcome news it will of course be much harder to return from the suspension than it was to enter into it.

The statements from UGLE/SGC and MMH obviously raises many questions of detail and we will all be working hard over the next few weeks to try to get answers to the many questions that you will have.

Please keep a close eye on the Q&A section of this website for further information [CLICK HERE](#). This will be updated regularly. If you cannot find there the answer to a specific question please let us know by contacting advice@wrprovince.co.uk or ProvGSec@westyorksmark.org.uk"
