

Perimeter Perambulation Route

Brethren, the Perimeter Perambulation starts on Sunday 12th May, this year. We aim to cover 18 to 20 miles each consecutive day for 12 days. We would love to have your company and support on this adventure. However, as footpaths don't always take us in the right direction, some road walking is inevitable. We are also walking through towns and cities so as to visit Lodge buildings en-route. Below we detail each days walk. You are welcome to join us for the full day, the first 12 miles being at a reasonable pace and may involve road walking in places (own risk), or join us for a more leisurely walk along footpaths towards the end of the day (or even for the last mile). Don't forget to arrange your transport back to where you start.

So get out your boots and come along, bring your partner, your friends and the dog!

If you would like to join us, please contact W.Bro Jason Cunningham, who has kindly offered to act as our central point. Please specify the day and the part you would like to walk. W.Bro Jason's contact details are:
